3. Since first seven classes are free of cost in all batches. So you are advised to take the subscription on or before the eighth class.
4. Since each and every point is clearly mentioned in our website and we are providing seven free classes in every batch. So it is advised to read each and every point given in different sections of our website and watch the free classes before purchasing any subscription because once the fees has been paid it is non-refundable under any circumstances. Still if any doubts persist then you can ask from our helpline/customer care number.
